

- Term 1 at a Glance -

- Dining Hall Refurb -

A full refurbish – painting, new stage, new doors
Increased capacity, revolving Lunches, coloured cups
AV – Lights, Camera, Action - kaoroke, trivia, slideshows

- Farm Friends -

Our hairy cow additions are a real hit. Students have enjoyed feeding and petting them.

- Term 1 - Add it up -

3705 students
303 school staff
222 parents/carers
352 Duke of Ed participants

- Meal Favourites -

Our ever-popular Wood Fired Pizzas and My Kampsite cooking activities involved, and fed, many students. We value student involvement in meals and cooking at camp – we will continue to be innovative with our camp food

- Paddock to Plate -

A new campsite has been Constructed complete with old implements
Our P2P program will feature farm and early settler history, stock and meat information culminating with cooking of not only beef but rabbit and kangaroo too.

- River Lovin' -

The River was on the menu this summer. Students made the most of the water canoeing, raft-building, kayaking, donutting, swimming, sand-Modelling and beach games.

- Cost Matters -

In recognition of the increasing cost demand of curricular and co-curricular activities and in our commitment to outdoor learning we have kept our cost increase for our 2018 camps to a minimum.

- Duke of Ed - All in Ones -

Our Bronze & Silver all-in-ones have proved very popular. Students come to Somerset and complete both their Practice and Qualifying expeditions one after the other... with a night off in the middle to repack, to reflect and to make and eat pizza

- Focus on the Focus -

We have been further incorporating the schools themes, aims and outcomes into our activities and daily reflections. The recurrent themes have been – resilience, teamwork and self-reliance.
